

UMBRIA ANTICA

Un prodotto materico ad alte prestazioni estetiche e funzionali... così nasce la bellezza del manufatto che respira.

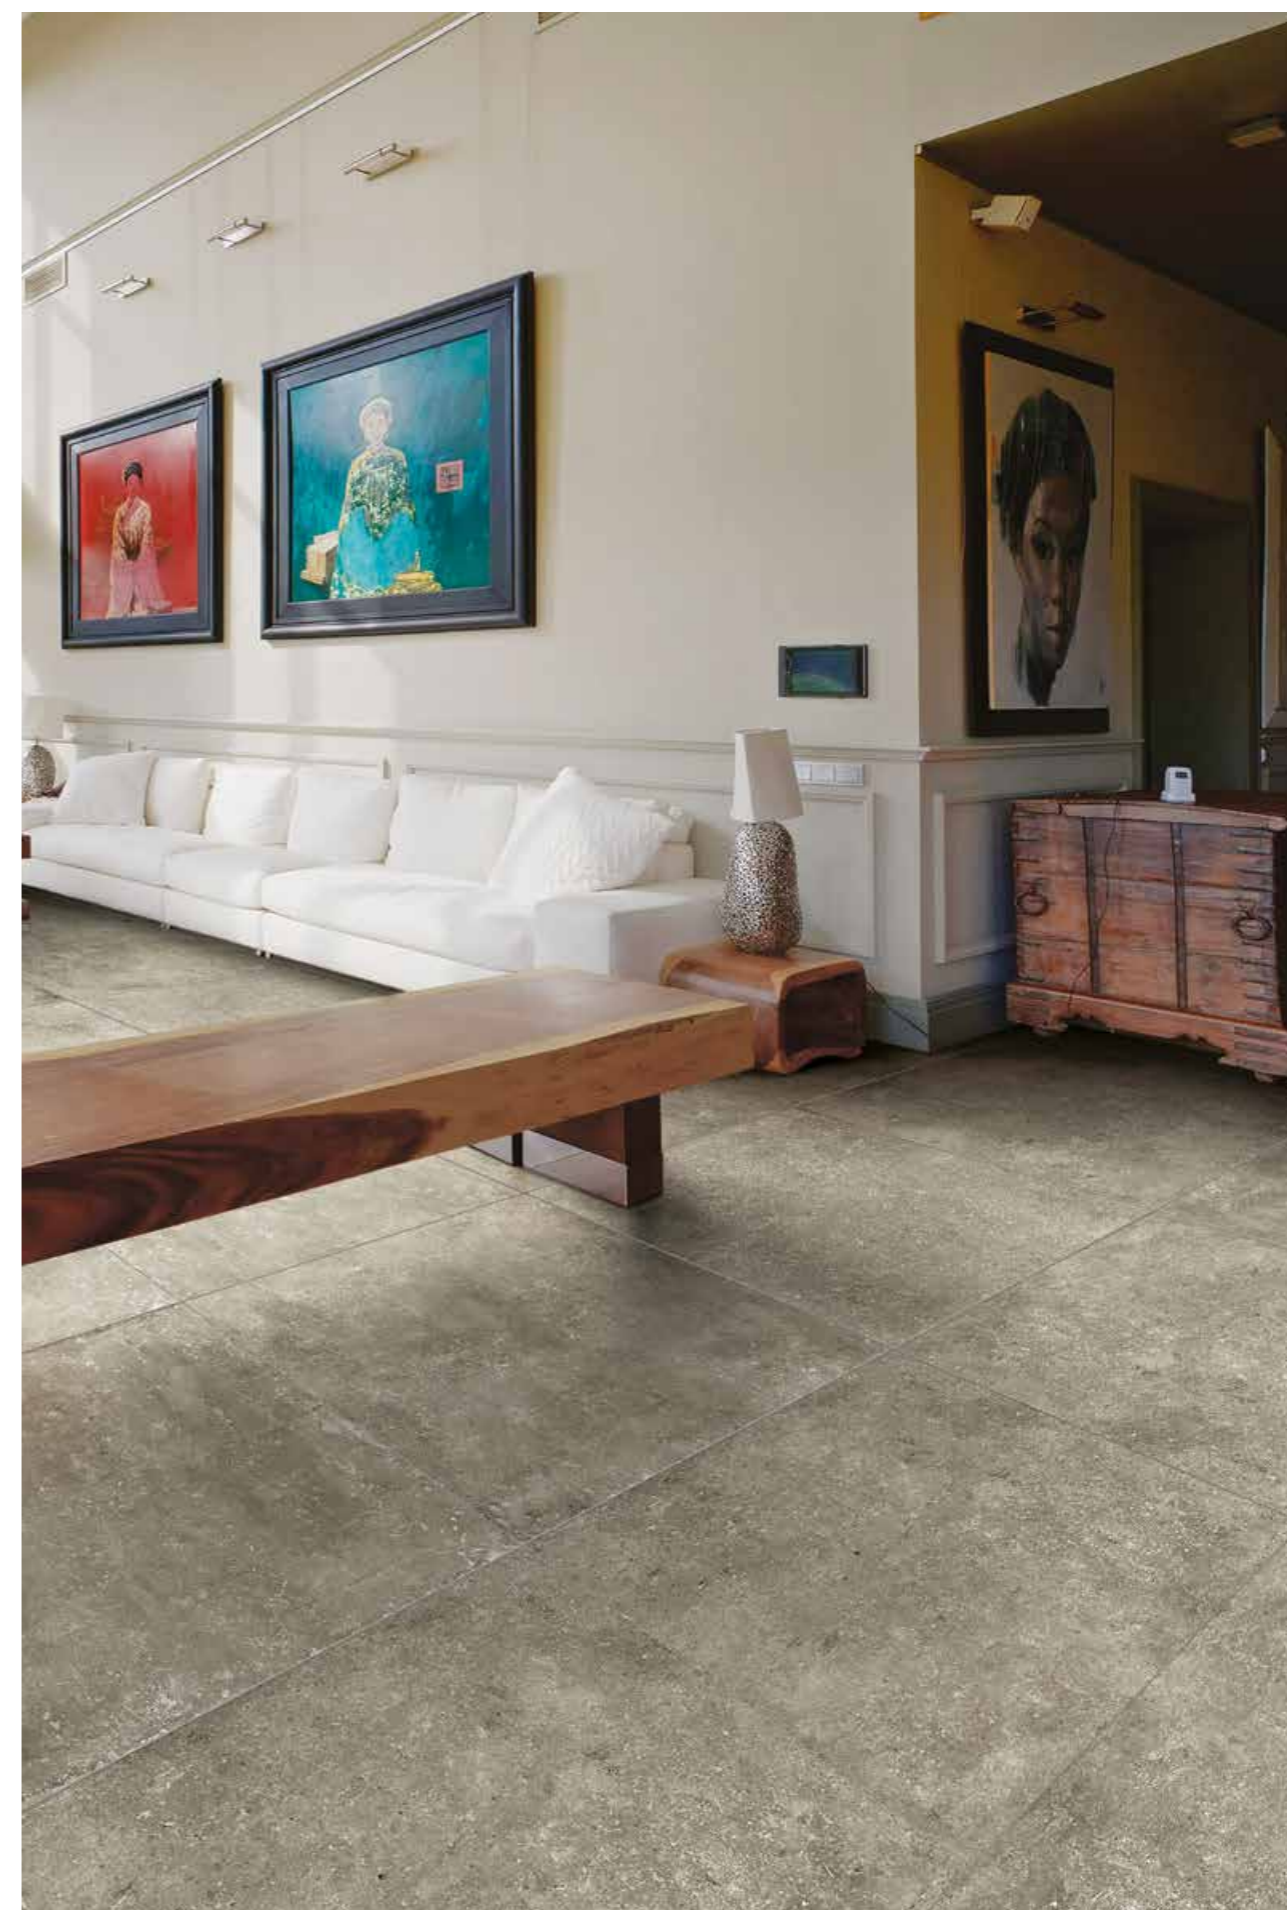

Un grès porcellanato morbido al tatto, resistente all'usura e che si esprime in una miscela di tonalità che vanno dai colori più freddi fino ai toni più caldi, sfaccettature a contrasto creano pattern unici e di grande impatto visivo.

Grazie ai grandi formati, la sua destinazione finale è molteplice, sia da interno che da esterno; la soluzione ideale per un living contemporaneo dal gusto sofisticato, un materiale ricco di storia e tradizione che sa coniugare antico e moderno.

A material product with high aesthetic and functional performances... in this way the beauty of the "breathing" product comes to life.

A porcelain tile soft to the touch, wear-resistant that is expressed in a mixture of shades starting from colder colors to warmer tones, different facets create unique patterns of great visual impact.

Thanks to the large sizes, its final destination is multiple, both indoor and outdoor; the ideal solution for a contemporary living with a sophisticated taste, a material rich in history and tradition that combines ancient and modern.
